

smcp Psychotherapy Training Courses

smcp is an Organizational member of The British Association for Counselling and Psychotherapy (BACP).

Transactional Analysis is a psychological theory of personality. It offers ways of understanding our own personality and the relationships we have with others. It is also a form of psychotherapy. You may want to participate if you:

- are somebody who would like to become qualified as a Psychotherapeutic Therapist or Counsellor.
- would like to enhance your understanding / skills in working with people.
- are practising as a Counsellor and want to develop your effectiveness.
- would like to personally develop yourself with like-minded people.

smcp Introduction to Human Personality Courses
